WE'RE READY TO HIKE – ANYTIME, ANYWHERE, WITH ANY OF YOUR FRIENDS

Popular with community-minded individuals and families of former Bethell Hospice residents, the hike is one of our largest fundraising events annually.

In the last three years, the hike has raised a combined total of over \$450,000, supporting those in need of Bethell Hospice community programs and residential hospice care.

This year's hike date is **Sunday, May 1** to coincide with the beginning of National Hospice Palliative Care Week. Although we plan to walk together in-person, hikers can also complete their own virtual hikes anytime, anywhere, with donations accepted until **May 31, 2022**.

Virtual hikes can take many forms – whether you cycle, attend Zumba, walk your dog, rock climb, or choose any other activity, we want your help!

REGISTRATION

- \$25 per person; all participants are encouraged to fundraise to help meet our goal of \$225,000.
- Youth 18 and under register for free.
- Each Hiker will receive a commemorative hike t-shirt and registration kit.
