3. Resolution 8.07 – Fair Ice Time and Resolution 8.08 – Special Situations (covers goaltenders*) apply for the tournament. A copy of both resolutions is included at the end of this Tournament Rules document. **Goaltenders are at a premium in certain divisions this year 2018 – special situations and agreements will be made to accommodate those teams missing a goalie or have a goalie on the DL.**
4. *No time outs are permitted in the round robin games.* During quarter-finals, semi-finals, and final games, each team will be allowed one 30-second timeout.

 - b) If the score is still tied after the overtime period a shootout will determine the winner.

Shootout Process:

Each team chooses three (3) players, home team deciding who shoots first. These three players should be designated on the game sheet prior to the start of the game. If the score is still tied, the shootout will continue, one player from each team, until a winner is determined.

Notes:

Every player on the bench must have an opportunity in the shootout before a team has a player shoot for a second time.

Any games from the suspension not served during the tournament, will carry over to league play and must be served when league play resumes. Resolutions

8.07 FAIR ICE TIME

- a) All players shall receive fair ice time. It is the responsibility of the Coach to ensure that all players receive fair ice time. All players should play a minimum of five (5) shifts per game.
- b) Opportunity for extra ice time must be shared by all players. The Coach's Manual has sample line-ups that can be used to assist in the sharing of ice time. If a team is short players, one or more players may play every other shift (ALTERNATE SHIFTING). The additional ice time should be shared amongst all players over the course of the season. Players may not play two play two (2) consecutive shifts (DOUBLE SHIFTING) unless the team has fewer than ten (10) skaters.
- c) Coaches must stay with their original line-up in all games unless it is disrupted due to injury, suspensions, etc. However, in a tournament playoff game or a league playoff game, in the divisions for Minor Atom and above a Coach may deviate from the fair ice time in the final two (2) minutes of the 3rd period or the final two (2) minutes any overtime period.
- d) **NOVICE** - The Novice League will follow the five (5) skaters "on"; five (5) skaters "off" policy. This will ensure players learn to play all positions and begin to learn all aspects of the game. If a goalie is removed during the last shift in favour of the sixth (6) attacker that sixth (6) player must be one of the next players in five (5) player rotation.
- e) **GOALTENDERS** - If 2 goalies are assigned to a team, each goalie will play half a game. Any requests for special consideration can be made in writing to the Recreational League Committee to be reviewed and ruled upon.
- f) If fair ice time is not being followed, a written complaint must be directed via a Parent Rep or the League Convenor to the Fair Play Committee. The Fair Play Committee will investigate and follow up with the Recreational League Vice-President and Recreational League Committee. Coaches not adhering to this rule will face disciplinary action which could include suspension of the coach, reversal of game results, etc.

8.08 SPECIAL SITUATIONS

- a) Should the goaltender from any team that has only one (1) goaltender on its roster be absent for any game for any reason, the team may borrow a goaltender from their own age division or from the Recreation League age division below. All such arrangements for borrowing a goaltender will be approved by the League Convenor and/or the Recreational League Vice-President. For League play, pre-approval for this substitution is not required where the absence is not known before game day.

8.20 STANDINGS

The placement of teams in the standings will be determined as follows

Total Points: Win – 2 points, Tie – 1 point, Loss – 0 points
